

FRANCE – CDG

## THE AIRPORT CHALLENGE

Synchronizing the work of multiple companies (Electricity, Construction, BHS)  
(300 people: Engineers, Technicians, Construction Workers, ...)

## THE SOLUTION

An inter-company schedule  
Obeya meetings (action plan, micro-schedules, KPIs, ...)  
Project team on site

## THE RESULT

After 17 months of intense work, the T2C BHS installation kicked off 1 month before the Paris 2024 Olympic Games.  
Final customer Satisfied
