

FRANCE - ORY

THE AIRPORT CHALLENGE

Along with the airport stakeholders, manage the usual passenger flow as well as the Olympics athletes, visitors and delegations and their non-standard baggage items

THE SOLUTION

Remote and dedicated check-in services at the Olympic and Paralympic Village

Check in with the day before their flight

Baggage transported & securely stored at the airports

Anticipation, flexibility, rigorous planning and tight operational coordination

THE RESULT

Preventing congestion in the check-in areas

Smooth and stress-free journey
